GENERAL INFORMATION

Respect yourself by making good choices,
Respect others by treating them kindly, and
Take responsibility for all of your actions.

SOCIAL-EMOTIONAL LEARNING

John Cabrillo Elementary School is dedicated to developing well rounded students whom are both academically proficient and exhibit strong character. Every Monday morning we use the Leader in Me program to explicitly teach self-management, self-awareness, relationship skills, social awareness, responsible decision-making, and growth mindset. These lessons are then reviewed and practiced throughout the week and infused into the academic curriculum. We hope parents will engage with us in this process and continue to develop and model these skills with students at home.

STUDENT ATTENDANCE

Staying in school is the first step to a good education. It is critical to encourage children to develop habits that promote being at school **on time every day**. When students are absent, they miss the classroom instruction that makes them successful in school. When they are tardy, not only did they miss important instruction; their entry also disrupts the instruction for the other students. Frequent tardiness or absences will require appropriate interventions.

ABSENCES

All children are expected to be in attendance each day. The State of California considers a student truant with **3 days or more of unexcused absences/more than 10 days of excused absences (Dr.'s note required after 10 days of excused absences).** **Also, being more than 30 minutes late for school is a Truant Tardy.** If your child's absences become excessive, we are required to begin the process of submitting your child's attendance record to the District's School Attendance Review Board. These absences or tardies will affect the child's educational performance. **Please keep your child home if he/she is running a fever, throwing up or is truly sick.**

When a student is absent, the following steps should be taken:

1. Have a parent/guardian phone the office (916-395-4615) and inform the office of the student's absence or use the link on our website: johncabrillo.scusd.edu
2. If a parent/guardian has NOT called the school, parents/guardians are requested to send a written excuse with the student **on the date of return to school**. Include your child's first and last name, teacher's name, date of absence, and state the reason for absence, name and relationship of the person reporting the absence.

Excused Absences: Excused absences are given only for illness, medical/dental appointments, or death in the family. All other absences are unexcused. A doctor's note is required after 3 consecutive days of absence. After a student reaches ten days of absences due to illness, a doctor's note is required for any additional absence or the absences will be unexcused. Parents/guardians are expected to schedule medical and dental appointments outside school hours.

Unexcused Absences: Any reason for an absence other than those given above will be considered an unexcused (Truant) absence even though the parent/guardian may have given permission for the student to miss school.

ABSENCES (continued)

Prearranged Absences: If your student will be missing school for an extended period of time, please notify the teacher and front office at least 1 week before leaving so arrangements can be made for Short Term Independent Study. Vacations during the school year are **strongly discouraged** and are considered **unexcused absences**, unless the student(s) is on Independent Study. Extended absences are very detrimental to the educational process of the student. Students are allowed 15 school days per year on Independent Study.

Student Make-Up Work: Parents/Guardians may call the office and request the students' work. Please call before 12:00 Noon and allow one day to receive missed assignments or the student may ask the teacher for it promptly after he/she returns to school. Make-up work is the students' responsibility.

TARDIES

Like absences, tardies can be disruptive to your child's education. Tardies cause students to miss important class instruction and cause interruption to the entire class. Please make sure your child arrives at school at their scheduled class time. If students are late, they **must** come to the school office for a pass to enter class. If your child is late due to a medical, dental or court (for the student) appointment, please get a note from the doctor or court and the tardy will not be reflected on their attendance. When no note is presented for being late, the tardy is considered unexcused.

TRUANCY INTERVENTION

The Sacramento City Unified School District has developed a Truancy Intervention Program in cooperation with the offices of the Sacramento District Attorney, Sacramento City Police Department, Juvenile Probation Department, and the City of Sacramento. Steps will be taken when students have three or more unexcused absences, three or more tardies for reasons other than doctor/dentist appointments, or excessive excused absences. They include letters home, conferences with parents/guardians, home visits, and Student Attendance Review Board (SARB) hearings. Our goal is to see to it that every child has the fullest opportunity to receive a quality education. The Truancy Intervention Program was developed to educate parents and students of the importance of school attendance and provide assistance to parents to ensure their children's attendance at school each and every day.

ATTENDANCE PERMITS

An Intra-District or Inter-District Attendance Permit may be revoked for excessive tardies, absences, behavior or academic problems. Students who do not comply with the above will be placed on probation. If the areas in question do not improve, the permit may be revoked.

ARRIVAL AND DEPARTURE TIMES

Students in grades TK through 6 are not to arrive on the school grounds before 7:30 AM. Students will eat breakfast outside weather permitting, or in the cafeteria. Students not eating breakfast will be directed to wait on their classroom dots until the warning bell.

Students are to leave campus promptly after school. Teachers will walk students to the front of the school to participate in our after school program or to be picked up. The gate that leads to Sam Brannan Middle School behind our campus will be closed until further notice. Any student not picked up 15 minutes after dismissal, including kindergarten, will wait outside the front office. Parents are required to come in and sign for the late pick up. In the event that a student is repeatedly picked up late, school officials may be obligated to contact Child Protective Services.

PARKING LOT

When delivering or picking up your children, the following procedures have been set up for the safety of all students.

- Parents/Guardians are **never** to leave their cars unattended in areas that have not been designated as parking spaces in the parking lot.
- Students may be dropped off and picked up in the main parking lot. The right side is for pick up and drop off. The left side is to exit. **The area in front of the kindergarten playground is for buses only. The turn-out is closed.**
- Parents/Guardians may choose to park in the designated parking spaces and walk their child to the screening area in front of the fire gate in the morning. For after school pickup, please stay in your car and wait patiently in the line of cars or park in a designated parking spot or on the neighboring surface streets to leave your car. Teachers walk their students to the front of the school after dismissal. Students are not allowed to walk through the busy parking lot without an adult.
- The side gate entrance is a Fire Zone and **should never be blocked.**
- There is only one entrance and one exit out of our parking lot. Please be courteous to other drivers and keep our children's safety in mind. Remember to follow the simple traffic rules.
- **Please be patient and polite while picking up/dropping off your student. Please model courteous behavior and remember the children's safety is our first priority.**

SCHOOL COMMUNICATION

Letters or notices from school are often sent home through the students. Procedures for classroom communication will vary in each classroom. Teachers will let you know the procedure for his/her classroom. Some notices are mailed directly to parents when appropriate. These notices will include important information about school policies and procedures. School-wide notices will be sent home on Wednesdays. **Backpacks should be checked every Wednesday. Please check the school website weekly for important communication. Website Address: johncabrillo.scusd.edu**

BACK TO SCHOOL NIGHT AND OPEN HOUSE

Parents are invited and encouraged to attend John Cabrillo's Back to School Night held within the first few weeks of school. This is a wonderful opportunity for parents to meet their child's teacher and learn about the curriculum, class rules and procedures, and expectations for the school year. This is an evening reserved for parents and guardians only.

Open House is held during the Third Trimester. Parents, friends, and family are invited to accompany their students to visit the school and the classrooms to see student displays of their work.

REPORT CARDS AND PARENT/TEACHER CONFERENCES

Report cards are issued each Trimester and comprehensive parent conferences are scheduled at the end of the first and second trimesters for all grades K-6. Conferences are important times for parents and teachers as they provide opportunities for you to discuss your child's progress. Parents are encouraged to raise questions and make suggestions, as teachers are most interested in knowing as much as possible about each child. Each teacher will make every effort to provide you with information about your child's academic and social progress. In addition to the conferences scheduled at the end of the trimester, teachers are willing and available to hold conferences by appointment before or after school at the parents' request.

PARENT/TEACHER HOME VISITS

John Cabrillo Elementary is a participant in the Parent/Teacher Home Visit Grant. This is an opportunity for teachers and families to strengthen the bond between home and school for better communication and student support.

SCHOOL VISITORS

Parents and guardians are welcome and encouraged to visit the school. Classroom observations may be made at the convenience of parents and guardians as long as it does not interfere with student learning. Please make every attempt to pre-arrange classroom visitations to minimize classroom interruptions. In the event that a conference is required with the teacher, the parent should schedule an appointment. **For the safety and welfare of all students; all parents, guardians, visitors and volunteers are required to check-in and receive a Visitor/Volunteer Pass from the Office before going onto the campus.**

SCHOOL VOLUNTEERS

Parents, adult family members, and community members are encouraged and invited to participate in school activities and in the classrooms. John Cabrillo Elementary School recognizes that parents play an important role in motivating their children to success.

The school staff and the School Site Council, a committee composed of parents and staff, have implemented a policy that strongly encourages all parents to volunteer at school.

There are many opportunities for adults to volunteer at school, such as: serving on parent advisory committees; attending School Site Council and PTA meetings; serving as classroom tutors and/or readers; assisting on field trips; volunteering in the library. There are also opportunities to do volunteer work at home or during evening events.

All volunteers who work on campus or chaperone on field trips are required to register and complete a fingerprinting/background check and have a current TB test on file. All volunteers must check-in at the school office. Parent and community members who serve as volunteers are required to have a volunteer badge when working on campus. Staff members always supervise volunteers. Field trip chaperones must be fingerprinted through the SCUSD.

If you wish another adult to pick up your child for an early dismissal and their name is not on the student Emergency Card, a verbal authorization is required by parent/guardian. During the sign-out process, staff will request that proper identification be presented to ensure the individual checking-out the student(s) has permission. These are important procedures developed to ensure the safety and welfare of our students.

If the cell phone is confiscated for a 2nd time, the cell phone will remain in the office safe until the last day of classes in June. Parents/guardians are expected to monitor social media accounts and cell phone use daily. **The school is not responsible and will not reimburse for lost, stolen or damaged cell phones or other electronic devices.**

EMERGENCY CARDS

At the beginning of each school year, **the parent or guardian is required by law to complete an Emergency Information Card.** This information will be filed in the office in case the school must contact either the parent or someone designated by the parent for sudden illness, accident or other emergencies. **Please be sure that you complete both sides of an emergency card for each child in your family and that it is complete with accurate information. Please notify the school if any changes occur during the year so that the school can update the Student Emergency Card information.**

ACCIDENT OR ILLNESS

If your child becomes ill or injured at school, he/she will receive aid and assistance from the school staff. If it is determined that your child should go home and/or receive additional professional attention, you will be contacted. Sick or injured children are never sent home without parental knowledge and permission. **Parents/Guardians should make sure that all information on the Student Emergency Card is accurate and current. Students with chronic health conditions must provide current medical protocols for the diagnosed condition.** These protocols will be reviewed by school personnel.

FIRE DRILLS AND EMERGENCY PRODECURES

Fire, earthquake and emergency practice drills are necessary for the safety of students and staff. Fire drills are held monthly. Earthquake drills are held four times a year and lockdown drills twice a year. The school will notify parents through the Infinite Campus phone system of scheduled emergency drills.

REPORTING CHILD ABUSE

By law, if a school employee suspects any type of child abuse, the employee **must** contact Child Protection Services and file a report. Child Protection Services will visit the school to talk with your child. **The school will not notify the parents/guardians.** Child Protection Services will take appropriate steps necessary to keep the child safe.

MEDICATIONS AT SCHOOL

Students **may not** bring any type of medication to school (including over-the-counter medications) unless the parent/guardian has submitted a Sacramento City Unified School District Physician/Parent Authorization Instruction Form (available in the school office) for **each school year.** All medications must be in their original container. Prescribed medications must have a current pharmacy label and over-the-counter medications must be

Lunch: Free for all students.

HOMEWORK POLICY - DISTRICT

The Board of Education recognizes that the ability to work independently is a valued and necessary skill that is an integral part of the elementary instructional program and the assignment of homework to elementary pupils is one important means by which this skill may be developed. Homework will be assigned on a regular basis to all students (except those Special Education students with individual educational plans that prohibit homework). Homework gives needed additional time for the individual child to pursue a particular Interest; to give needed additional time to the individual child who is not working to expectancy; as a result of extended absence; and as an extension of a classroom assignment. Homework may not be assigned as a punitive measure.

TEXTBOOKS, MATERIALS AND SUPPLIES

Personal magazines are not allowed without prior written permission of the teacher. Any such items brought to school will be confiscated and returned only to the parent or guardian provided the parent/guardian asks the principal for the items within one calendar week. If the item is confiscated for a 2nd time, it will remain in

PERSONAL PROPERTY (continued)

the school safe until the last day of classes in June. A child who repeatedly violates this expectation will require additional disciplinary measures. The school will not be responsible and will not reimburse for lost or stolen items.

LOST AND FOUND

All items of clothing such as jackets, coats, sweaters, etc., should be marked so that they may be identified when lost. The school has a "Lost and Found" area where items may be claimed by students or parents. The Lost and Found is located on the hooks below the display case near the cafeteria and in the large wooden box located near the back of the cafeteria. **Any items not claimed at the end of each month will be donated to the SCUSD Clothes Closet.** Small items such as jewelry or money may be claimed in the office. Please take time to check the lost and found regularly.

DISCIPLINE

Discipline at John Cabrillo Elementary School is built on safety and respect for all members of our learning community. It is our goal to resolve issues at the local level, in the classroom or on the yard. Every effort will be made to bring to the child’s awareness how his/her behavior may be disruptive and otherwise destructive; opportunities for the children to create and implement solutions will be explored wherever possible. Serious issues are referred to the principal for resolution. Parents will always be informed of our formal disciplinary efforts and included whenever possible. Consequences for purposeful, unsuccessful student behavior may include the following:

- Time in a Buddy Class to complete assignments or refocus.
- In-House Suspension (student completes work independently in another classroom under the supervision of the teacher)
- Community Service on school grounds.
- Behavior Contract
- Suspension from school.

FIGHTING

Zero Tolerance. Any student engaged in a physical altercation with another student will be suspended. Self-defense only applies to a student who is unable to walk or run away from a person who is threatening or causing physical harm.

BULLYING

John Cabrillo is a Bully Free Zone! Bullying is the most common behavior that creates a hostile and unsafe environment for students and staff members. This includes *Cyber Bullying*. Everyone has an ethical responsibility to address bullying. Bullying and bad behavior are not the same thing. **“A person is bullied when he or she is exposed, repeatedly over time, to negative actions on the part of one or more other persons, and he or she has difficulty defending him or herself.”**

- Bullying is aggressive behavior that involves unwanted, negative actions.
- Bullying involves a pattern of behavior repeated over time.
- Bullying involves an imbalance of power or strength.

Bullying is against California Educational Code and is a suspendable offense. There is **no excuse** for bullying and it will be immediately dealt with at Cabrillo. Students, staff, and parents are expected to report bullying to the site administrator, or may use the WeTIP

BULLYING (continued)

Hotline at 1-855-86-BULLY to make an anonymous report. The site administrator will complete a "Report of Suspected Bullying" form and complete an investigation. If bullying has occurred disciplinary action will be taken. Working together, we can ensure a safe, secure, and kind learning environment for everyone.

PROFANITY AND INAPPROPRIATE GESTURES

Children are exposed to profane language, gestures, and behavior on a daily basis. Television, video games, movies and music lyrics are filled with explicit and racially charged language. While that may be considered appropriate for mainstream pop culture it is totally unacceptable on the Cabrillo campus. Therefore; such language and gestures will be taken seriously and dealt with accordingly.

- The first offense will result in the student having to call their parent and repeat the exact words they were heard using, or describe the gesture they displayed.
- The second offense will result in an in-house suspension.
- The third offense will result in a 1-day formal suspension.
- Additional offenses will result in continued disciplinary action.

Please note that this policy includes the use of the "N" word by a student of any race towards any student, staff member, visitor, or parent of any race.

Cabrillo celebrates the rich diversity of our community and views this diversity as a strength of our community. It is therefore expected that all community members treat each other with the respect and dignity we all deserve.

Frequently Asked Questions:

What may be served and sold on campus?

Foods and beverages served and sold in schools must meet strict federal and state regulations for calories, saturated fat, sodium, sugar and trans-fat. For an easy-to-use list, visit www.scusd.edu/wellnesspolicy.

SCUSD Wellness Policy (continued)

When are these regulations in effect?

PreK-8th grade: Regulations are effective from midnight to a half hour after the school day or expanded learning (whichever is later).

High schools: Regulations are effective from midnight to a half hour after the school day.

How can you tell which foods are compliant?

Other than fresh fruits and vegetables, which are always compliant, food compliance varies widely. Use the California Project Lean calculator to determine compliance of items: www.californiaprojectlean.org

To whom do these regulations apply?

These federal and state regulations apply to Non-Charter Public Schools participating in the National School Lunch Program.

Can I bring snacks for the class on my child's birthday or general classroom celebration?

Yes, as long as the snack meets state and federal regulations for food served during the school day, such as fresh fruit, 100% fruit juice and whole grain snacks. Most cupcakes/cakes do not meet these requirements. Other non-food related options are possible, including but not limited to pencils, erasers, or other small items.
